

ATTENTION NEIGHBORS

NEED YOUR HELP A VERY SAD SITUATION

We are looking for homes for several well cared for, healthy outdoor cats that had been abandoned and left to die. We were able to locate them but their time is almost up at the present location.

THE PROPERTY WHERE THEY HAVE LIVED MOST OF THEIR LIVES IS NOW BEING SOLD AND TORN DOWN AND THE PERSON WHO HAD BEEN CARING FOR THEM IS DECEASED.

THEY NEED TO BE RELOCATED TO A FRIENDLY AREA WHERE THEY CAN BE FED AND CARED FOR. SOME OF THE PLACES THAT WOULD MAKE GOOD HOMES ARE BACKYARDS, NURSERIES, WORKPLACES, FARMS, RANCHES, SANCTUARIES, BUSINESSES AND MANY OTHERS. THEIR PRESENCE IS A PLUS FOR RODENT CONTROL!

THE CATS CAN BE RELOCATED SEPARATELY OR WITH THEIR SIBLINGS OR MOTHER. EVERYONE SPAYED AND NEUTERED, VACCINATION, FLEA TRETMENT AND EXAM. YOU OFFER THE PLACE AND WE WILL RELOCATE THEM TO THEIR NEW HOME.

THEIR TIME IS RUNNING OUT. IT IS URGENT THAT WE IMMEDIATELY BEGIN BRINGING THEM TO THEIR NEW HOMES.

PLEASE CONTACT ME. THESE ABANDONED CATS ARE IN IMMEDIATE JEOPARDY. IT TAKES A VILLAGE!!
